Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,  
I OBJECT to the definition of "inordinate amount" which restricts the availability  
and the right to obtain medically necessary compounded medications by limiting  
the number of prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

COMMENTS:

We need all the  
competition we can have for  
consumers to experiment &  
evaluate the best medical  
treatments that they can find.  
DO NOT sell out to the powerful  
drug companies & limit our  
free choice of medicines!

please!
